Beach Restoration

Dear Ms. Neely,

I have enclosed the responses to RAI #2 for JCP File Number: 0163447-002-JC, Bathtub Beach Restoration Project. As requested in the RAI, enclosed are three hard copies of our responses in separate folders and in each folder a CD containing one electronic copy of our response (response document text, all attachments, and drawings) in Adobe Acrobat Reader® (.pdf) format. Please note that each CD also contains requested electronic files in the appropriate format.

Please note that one of the three copies contains original signed and sealed engineering drawings. That copy has been marked for your convenience.

Please contact me at 904-731-7040 or dstites@taylorengeering.com or Kathy Fitzpatrick, Coastal Engineer for Martin County, at 772-288-5429 or kfitzpat@martin.fl.us with any comments or questions concerning these responses or other project-related matters.
